EXPLANATORY STATEMENT
(Pursuant to the provisions of Section 102 of the Companies Act, 2013)

Approval for Voluntary Delisting of the Equity Shares of the Company from National Stock Exchange of India Limited (“NSE”) and BSE Limited (“BSE”) and withdrawal of “Permitted to Trade” status on the Metropolitan Stock Exchange of India Limited (“MSE”).

1. The fully paid-up equity shares of the Company, each having a face value of INR 2/-, (“**Equity Shares**”) are presently listed on BSE and NSE (collectively, “**Stock Exchanges**”).
2. As on date, the members of the Promoter Group (*as defined below*) collectively hold 17,20,22,209 Equity Shares representing 70.01% of the paid-up equity share capital of the Company and the Public Shareholders (*as defined below*) hold 7,36,73,315 Equity Shares representing 29.99% of the paid-up equity share capital of the Company.
3. On July 21, 2021, the Company received the initial public announcement dated July 21, 2021 issued in accordance with the Delisting Regulations (“**Initial Public Announcement**”) on behalf of certain members of the promoter and promoter group of the Company (as defined under the SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (“**Promoter Group**”)) viz., Mr Shashi Kiran Shetty, Talentos Entertainment Private Limited and Avashya Holdings Private Limited (collectively “**Acquirers**”) to reinitiate the process and to express their intention to (a) acquire all Equity Shares that are held by public shareholders of the Company (as defined under the Delisting Regulations and to be referred to as “**Public Shareholders**”), either individually/ collectively or together with other members of the Promoter Group, as the case may be; and (b) consequently voluntarily delist the Equity Shares from the Stock Exchanges by making a delisting offer in accordance with the Delisting Regulations.
4. Mr Shashi Kiran Shetty and Talentos Entertainment Private Limited, pursuant to their letter dated August 24, 2020, had *inter alia* expressed their intention to voluntarily delist the Equity Shares in accordance with the SEBI (Delisting of Equity Shares) Regulations, 2009 (“**Old Regulations**”) by acquiring Equity Shares, either individually/ collectively or together with other members of the Promoter Group, as the case may be. Pursuant to the said letter, the board of directors of the Company (“**Board**”), at its meeting held on September 5, 2020, approved the delisting proposal after having discussed and taking into account various factors including the due diligence report submitted by the merchant banker. Subsequently, the delisting proposal was approved by the shareholders of the Company with the requisite majority, the results of which were published on October 22, 2020.
5. In the Initial Public Announcement, it was clarified that Securities and Exchange Board of India (“**SEBI**”) has notified the Delisting Regulations which has repealed the Old Regulations and proceeding further under the Delisting Regulations would not be in compliance of the timelines and requisite procedures prescribed therein. Accordingly, the process is being reinitiated under the Delisting Regulations and the Initial Public Announcement was made.
6. As per the Initial Public Announcement, the rationale for the Delisting Proposal is as follows (as provided earlier on August 24, 2020):
 - a) the proposed delisting will align the group's capital and operational structures, streamline the process of servicing the group's financing obligations and significantly improve a range of important credit metrics. As a result, the transaction is expected to support an accelerated debt reduction program in the medium term and, in turn, support the group's highly attractive longer-term growth pipeline;
 - b) the proposed delisting would enable the members of the Promoter Group to obtain full ownership of the Company, which in turn will provide enhanced operational flexibility. As the Company will no longer remain listed in India, there will be reduction in dedicated management time to comply

with the requirements associated with continued listing of equity shares, which can be refocused on its business;

- c) the long term business plan involves expanding operations into new geographies and new business activities, which may have different risk profiles, longer gestation periods compared to the current risk profile of the Company;
 - d) the proposed delisting will result in reduction of the ongoing substantial compliance costs which includes the costs associated with listing of equity shares such as annual listing fee and fees payable to share transfer agents or such other expenses required to be incurred as per the applicable securities law;
 - e) it would enhance Company's operational, financial and strategic flexibility including but not limited to corporate restructurings, acquisitions, exploring new financing structures including financial support from the members of the Promoter Group; and
 - f) the proposed delisting is in the interest of the Public Shareholders as it will provide them an opportunity to exit from the Company at a price determined in accordance with the Delisting Regulations, providing immediate liquidity given the heightened market volatility.
7. The discovered price will be determined through the reverse book building process specified in Schedule II of the Delisting Regulations, after fixation of the 'floor price' which will be determined in terms of Regulation 20(2) of the Delisting Regulations read with Regulation 8 of the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 ("**Takeover Regulations**").
8. In terms of the Delisting Regulations, the discovered price will be determined as the price at which shares are accepted through eligible bids, that takes the shareholding of the members of the Promoter Group (along with persons acting in concert) to 90% of the total issued shares excluding the shares which are held by following:
- a) custodian(s) holding shares against which depository receipts have been issued overseas;
