The extent of their participation in the Buyback has been detailed in paragraph 9.2, 9.3 and 9.4 of this LOF.

19.3. Assuming response to the Buyback is 100% (full acceptance) from all the Eligible Sellers in proportion to their respective Buyback Entitlement, the aggregate shareholding of the Promoter and Persons in Control post the Buyback will be 17,21,92,969 number of Equity Shares representing 70.08% of paid-up equity share capital of the Company, post the Buyback.

19.4. **Record Date and Ratio of Buyback as per the Buyback Entitlement in each Category:**

- (i) The Board at its meeting held on Monday, November 7, 2016 announced Friday, November 18, 2016 as Record Date for the purpose of determining the Buyback Entitlement and the names of the Equity Shareholders who are eligible to participate in the Buyback.
- (ii) The Equity Shares to be bought back as a part of this Buyback are divided into two categories:
  - (a) Reserved category for Small Shareholders (“**Reserved Category**”); and
  - (b) General category for Eligible Sellers other than the Small Shareholders (“**General Category**”).
- (iii) As defined in the Buyback Regulations, Small Shareholder includes a shareholder, who holds Equity Shares of the Company, as on the Record Date, whose market value, on the basis of closing price on the recognized Stock Exchange registering the highest trading volume, as on Record Date, is not more than ₹ 2,00,000/- (Rupees Two Lakhs Only). As on the Record Date, the closing price on National Stock Exchange of India Ltd., being the stock exchange registering the highest trading volume, was ₹ 169.10. Accordingly, all Equity Shareholders holding not more than 1,182 Equity Shares as on the Record Date are classified as “Small Shareholders” for the purpose of the Buyback.
- (iv) Based on the above definition, there are 24,803 Small Shareholders in the Company with aggregate shareholding of 43,97,671 Equity Shares as on the Record Date, which constitutes 1.74% of the total number of Equity Shares of the Company and 68.71% of the maximum number of Equity Shares which the Company proposes to buyback as a part of this Buyback.
- (v) In compliance with Regulation 6 of the Buyback Regulations, the reservation for the Small Shareholders, will be higher of:
  - (a) 15% (fifteen percent) of the number of Equity Shares which the Company proposes to Buyback i.e. 15% of 64,00,000 (Sixty Four Lakhs) Equity Shares which works out to 9,60,000 (Nine Lakhs Sixty Thousand) Equity Shares; or
  - (b) The number of Equity Shares entitled as per their shareholding as on Record Date i.e. Friday, November 18, 2016, which works out to be 1,11,644 (Rounded off) Equity Shares.

- (1) All the outstanding Equity Shares have been used for computing the Buyback Entitlement of Small Shareholders since the Promoter and Persons in Control also intend to offer Equity Shares held by them in the Buyback.
- (2) Based on the above and in accordance with Regulation 6 of the Buyback Regulations, 9,60,000 Equity Shares have been reserved for Small Shareholders. Accordingly, General Category shall consist of 54,40,000 Equity Shares.

(vi) Based on the above Buyback Entitlement, the ratio of Buyback for both categories is decided as below:

Category of Shareholders	Ratio of Buyback
Reserved category for Small Shareholders	105 Equity Shares out of every 481 Equity Shares held on the Record Date.
General category Eligible Sellers other than Small Shareholders	15 Equity Shares out of every 683 Equity Shares held on the Record Date.

#### 19.5. Fractional Entitlements:

If the Buyback Entitlement under the Buyback, after applying the above mentioned ratios to the Equity Shares held on Record Date, is not a round number (i.e. not in the multiple of 1 Equity Share), then the fractional entitlement shall be ignored for computation of Buyback Entitlement to tender Equity Shares in the Buyback for both categories of Eligible Sellers.

On account of ignoring the fractional entitlement, those Small Shareholders who hold 4 or less Equity Shares as on Record Date will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender Additional Equity Shares as part of the Buyback and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for Additional Equity Shares.

#### 19.6. Basis of Acceptance of Equity Shares validly tendered in the Reserved Category for Small Shareholders:

Subject to the provisions contained in this LOF, the Company will accept the Equity Shares tendered in the Buyback by the Small Shareholders in the Reserved Category in the following order of priority:

- (i) Acceptance of 100% Equity Shares from Small Shareholders in the Reserved Category, who have validly tendered their Equity Shares to the extent of their Buyback Entitlement or the number of Equity Shares tendered by them, whichever is less.
- (ii) Post the acceptance as described in paragraph 19.6 (i) above, in case there are any Equity Shares left to be bought back from Small Shareholders in the Reserved Category, the Small Shareholders who were entitled to tender zero Equity Shares (on account of ignoring the fractional entitlement), and have tendered Additional Equity Shares as part of the Buyback, shall be given preference and 1 (one) share each from the Additional Equity Shares applied by these Small Shareholders shall be bought back in the Reserved Category.
- (iii) Post the acceptance as described in paragraph 19.6 (i) and 19.6 (ii) above, in case there are any Equity Shares left to be bought back in the Reserved Category, the Additional Equity Shares tendered by the Small Shareholders over and above their Buyback Entitlement, shall be accepted in proportion of the Additional Equity Shares tendered by them and the Acceptances per Small Shareholders shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per Small Shareholder shall be equal to the Additional Equity Shares validly tendered by the Small Shareholder divided by the total Additional Equity Shares validly tendered and multiplied by the total pending number of Equity Shares to be accepted in Reserved Category. For the purpose of this calculation, the Additional Equity Shares taken into account for such Small Shareholders, from whom 1 (one) Equity Share has been accepted in accordance with paragraph 19.6 (ii) above, shall be reduced by 1 (one).
- (iv) Adjustment for fractional results in case of proportionate Acceptance, as described in paragraph 19.6 (iii) above:
  - (a) For any Small Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.

- (b) For any Small Shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

**19.7. Basis of Acceptance of Shares validly tendered in the General Category:**

Subject to the provisions contained in the LOF, the Company will accept the Equity Shares tendered in the Buyback by Eligible Sellers other than Small Shareholders in the General Category in the following order of priority:

- (i) Acceptance of 100% Equity Shares from Eligible Sellers other than Small Shareholders in the General Category who have validly tendered their Equity Shares, to the extent of their Buyback Entitlement, or the number of Equity Shares tendered by them, whichever is less.
- (ii) Post the Acceptance as described in paragraph 19.7 (i) above, in case there are any Equity Shares left to be bought back in the General Category, then the Additional Equity Shares tendered by the other Eligible Sellers over and above their Buyback Entitlement shall be Accepted in proportion of the Additional Equity Shares tendered by them and the acceptances per shareholder shall be made in accordance with the Buyback Regulations, i.e. valid acceptances per shareholder shall be equal to the Additional Equity Shares validly tendered by the Eligible Sellers divided by the total Additional Equity Shares validly tendered in the General Category and multiplied by the total pending number of Equity Shares to be Accepted in General Category.
- (iii) Adjustment for fractional results in case of proportionate acceptance as described in paragraph 19.7 (i) and (ii) above:
  - (a) For any Eligible Seller, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional Acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
  - (b) For any Eligible Seller if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 (one) and the fractional Acceptance is less than 0.50, then the fraction shall be ignored.

**19.8. Basis of Acceptance of Equity Shares between Categories**

- (i) In case there are any Equity Shares left to be bought back in one category (“**Partially filled Category**”) after acceptance in accordance with the above described methodology for both the categories, and there are additional unaccepted validly tendered Equity Shares in the second category, then the Additional Equity Shares in the second category shall be accepted proportionately, i.e. valid acceptances per Eligible Seller shall be equal to the Additional outstanding Equity Shares validly tendered by an Eligible Seller in the second category divided by the total additional outstanding Equity Shares validly tendered in the second category and multiplied by the total pending number of Equity Shares to be bought back in the Partially filled Category.
- (ii) If the Partially filled Category is the General Category, and the second category is the Reserved Category for Small Shareholders, then for the purpose of this calculation, the Additional Equity Shares tendered by such Small Shareholders, from whom 1 (one) Equity Share has been accepted in accordance with paragraph 19.6 (ii) shall be reduced by 1 (one).
- (iii) Adjustment for fraction results in case of proportionate Acceptance, as defined in paragraph 19.8 (i) and (ii) above:
  - (a) For any shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is greater than or equal to 0.50, then the fraction would be rounded off to the next higher integer.
  - (b) For any shareholder, if the number of Additional Equity Shares to be accepted, calculated on a proportionate basis is not in the multiple of 1 and the fractional acceptance is less than 0.50, then the fraction shall be ignored.

**19.9. For avoidance of doubt, it is clarified that:**

- (i) The Equity Shares accepted under the Buyback from each Eligible Seller, in accordance with paragraphs above, shall not exceed the number of Equity Shares tendered by the respective Eligible Seller;

- (ii) The Equity Shares accepted under the Buyback from each Eligible Seller, in accordance with paragraphs above, shall not exceed the number of Equity Shares held by respective Eligible Seller as on the Record Date; and
- (iii) The Equity Shares tendered by any Eligible Seller over and above the number of Equity Shares held by such Eligible Seller as on the Record Date shall not be considered for the purpose of Acceptance in accordance with the paragraphs above.
- (iv) In case of any practical issues, resulting out of rounding-off of Equity Shares or otherwise, the Board or any person(s) authorized by the Board will have the authority to decide such final allocation with respect to such acceptance or rounding-off or any excess of Equity Shares or any shortage of Equity Shares after allocation of Equity Shares as set out in the process described in this paragraph.

TAX CONSIDERATIONS GIVEN HEREUNDER SHOULD BE TREATED AS INDICATIVE AND FOR GUIDANCE PURPOSES ONLY.

### I. GENERAL

- A) The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 following March 31. A person who is an Indian tax resident is liable to taxation in India on his worldwide income, subject to certain tax exemptions, which are provided under the Income Tax Act, 1961 (“the Income Tax Act”).
- B) A person who is treated as non-resident for Indian income-tax purposes is generally subject to tax in India only on such person’s India sourced income or income received by such person in India. In case of shares of a Company, the source of income from shares would depend on the “situs” of such shares. As per judicial precedents, generally the “situs” of the shares is where company is “incorporated” and where its shares can be transferred. Accordingly, since Allcargo Logistics Limited (“The Company”) is incorporated in India, the shares of the Company would be “situated” in India and any gains arising to a non-resident on transfer of such shares would be taxable in India under the Income Tax Act. Further, the non-resident can avail the beneficial provisions of the Double Taxation Avoidance Agreement (“DTAA”), if any, between India and the respective jurisdiction of the shareholder subject to meeting relevant conditions and providing and maintaining necessary information and documents as prescribed under the Income Tax Act.
- C) The Income Tax Act also provides for different tax regimes / rates applicable to the gains arising on buyback of shares, based on the period of holding, residential status and category of the shareholder, nature of the income earned, etc. The summary tax implications on buyback of equity shares listed on the stock exchange is set out below. All references to equity shares in this note refer to listed equity shares unless stated otherwise.

### II. CLASSIFICATION OF SHAREHOLDERS

Shareholders can be classified under the following categories:

#### A) Resident Shareholders being:

- Individuals, Hindu Undivided Family (HUF), Association of Persons (AOP) and Body of Individuals (BOI)
- Others

#### B) Non Resident Shareholders being:

- Non Resident Indians (NRIs)
- Foreign Institutional Investors (FIIs)
- Others:
  - Company
  - Other than Company

### III. CLASSIFICATION OF INCOME

Shares can be classified under the following two categories:

- A) Shares held as investment (Income from transfer of shares taxable under the head “Capital Gains”)
- B) Shares held as stock-in-trade (Income from transfer of shares taxable under the head “Profits and Gains of Business or Profession”, hereinafter referred to as “business income”)

Gains arising from the transfer of shares may be treated either as “capital gains” or as “business income” for tax purposes, depending upon whether such shares were held as a capital asset or trading asset (i.e. stock-in-trade). Traditionally, the issue of characterisation of income arising from sale of shares has been a subject matter of litigation with the tax authorities. There have been various judicial pronouncements as to whether gains from transactions in securities should be taxed as “business income” or as “capital gains”. However, these pronouncements, while laying down certain guiding principles have largely been driven by the facts and circumstances of each case. Recently, the apex body of Income-tax has issued Circular no. 6 of 2016, as per which, if the taxpayer opts to consider the shares as stock-in-trade, the income arising from the transfer of such shares would be treated as its business income. Also, if such shares are held for a period of more than 12 months and if the taxpayer desires to treat the income arising from the transfer thereof as “capital gains”, the same shall not be put to dispute by the Tax Officer.

Further, investments by Foreign Institutional Investor in any securities in accordance with the regulations made under the Securities and Exchange Board of India Act, 1992 would be treated as capital asset and the transfer of such shares would be treated as “capital gains” under the provisions of the Income Tax Act.

#### A) SHARES HELD AS INVESTMENT

- i. As per the provisions of the Income Tax Act, where the shares are held as investments, income arising from the transfer of such shares is taxable under the head “Capital Gains”. Capital gains on buyback of shares are governed by the provisions of section 46A of the Income Tax Act and would attract capital gains in the hands of shareholders as per computation provisions contained in section 48 of the Income Tax Act. The provisions of buyback tax on the Company under section 115QA in Chapter XII-DA of the Income Tax Act do not apply for shares listed on the stock exchange.

#### ii. Period of holding

Depending on the period for which the shares are held, the gains would be taxable as ‘short term capital gain’ or ‘long term capital gain’ as stated below :

- In respect of listed equity shares held for a period less than or equal to 12 months prior to the date of transfer, the same shall be treated as a ‘short-term capital asset’, and the gains arising therefrom shall be taxable as ‘short term capital gains (“STCG”)
- Similarly, where listed equity shares are held for a period more than 12 months prior to the date of transfer, the same shall be treated as a ‘long-term capital asset’, and the gains arising therefrom shall be taxable as ‘long-term capital gains’ (“LTCG”).

#### iii. Taxability on Buyback of shares through a recognized stock exchange

Where transaction for transfer of such equity shares (i.e. buyback) is transacted through a recognized stock exchange then the taxability will be as under (for all categories of shareholders):

- LTCG arising from such transaction would be exempt under section 10(38) of the Income Tax Act; and

- STCG arising from such transaction would be subject to tax @ 15% under section 111A of the Income Tax Act.
- iv. Further, in case of resident Individual or HUF, the benefit of maximum amount which is not chargeable to income-tax is considered while computing the tax on such STCG taxable under section 111A of the Income Tax Act. In such cases, where the total income as reduced by such STCG is below the maximum amount not chargeable to tax, then such STCG shall be reduced by the amount by which the total income as so reduced falls short of the maximum amount which is not chargeable to income tax and on the balance of STCG, if any, income tax @ 15% is charged. In addition to the above STCG tax, Surcharge, Education Cess and Secondary and Higher Education Cess are leviable (Please refer to paragraph. V. below for rate of surcharge and cess).
  - v. Further in case of Eligible Sellers being companies as defined under the Income Tax Act, the tax provisions of minimum alternate tax on book profits as provided u/s. 115JB of the Income Tax Act need to be considered depending on their income and losses etc for the year.
  - vi. Non-resident shareholders can avail beneficial provisions of the applicable double taxation avoidance agreement (“DTAA”), if any, entered into by India with relevant country in which the shareholder is resident but subject to fulfilling relevant conditions and submitting/ maintaining necessary documents prescribed under the Income Tax Act.
  - vii. As an overall point, since the buyback is undertaken on the stock exchange, such transaction is chargeable to Securities Transaction Tax (“STT”). STT is a tax payable in India on the value of securities on every purchase or sale of securities that are listed on the Indian Stock Exchange. Currently, the STT rate applicable on the purchase or sale of shares on the stock exchange is 0.1% of the value of security transacted.

## **B) SHARES HELD AS STOCK-IN-TRADE**

If the shares are held as stock-in-trade by any of the shareholders of the Company, then the gains would be characterized as business income and taxable under the head “Profits and Gains of Business or Profession”. In such a case, the provisions of section 46A and section 48 of the Income Tax Act will not apply.

### **i. Resident Shareholders**

- a. For individuals, HUF, AOP, BOI, profits would be taxable at slab rates.
- b. For persons other than stated in a) above, profits would be taxable @ 30% or other applicable tax rate.

##### A) In case of Resident Shareholders

In absence of any specific provision under the Income Tax Act, the Company is not required to deduct tax at source on the consideration payable to resident shareholders pursuant to the said Buyback.

##### B) In case of Non-resident Shareholders

Since the buy-back is through the stock exchange, the responsibility of discharge of the tax due on the gains (if any) is primarily on the non-resident shareholder. It is therefore important for the non-resident shareholders to appropriately compute such gains (if any) on this transaction and immediately pay taxes in India (either through deduction at source or otherwise) in consultation with their custodians / authorized dealers / tax advisors appropriately.

#### V. RATE OF SURCHARGE AND CESS

In addition to the basic tax rate, Surcharge, Education Cess and Secondary and Higher Education Cess are leviable as under:

##### A) Surcharge

- In case of domestic companies: Surcharge @ 12% is leviable where the total income exceeds ₹ 10 crores and @ 7% where the total income exceeds ₹ 1 crore but does not exceed ₹ 10 crores.
- In case of companies other than domestic companies: Surcharge @ 5% is leviable where the total income exceeds ₹ 10 crores and @ 2% where the total income exceeds ₹ 1 crore but does not exceed ₹ 10 crores.
