

QUALITY POLICY

Allcargo Logistics Limited is committed to provide integrated logistics solutions that empower businesses globally. Our endeavor is to produce benchmarks of quality and consistency, thus co-creating value for all our stakeholders.

We create better value for our clients and for us by providing excellence through:

- Consolidated Logistics Solutions
- Best-in-class Infrastructure and Facilities
- Cost optimization and Technology Enhancement
- Consistent Quality of Service across the Globe
- On-time Delivery
- Single window freight and shipping
- Safety and security of Personnel, Goods and Infrastructure
- Sustainable value creation for all the stakeholders
- Peace of Mind

by providing adequate resources including the infrastructure, competent personnel and safe working environment.

The Quality of the Services provided are reviewed and aligned with the business Values and Mission.
