Dear APs/Clients,

**Sub: Addition of UPI fund transfer facility in IBT/Mobile trading users**

Presently, our Clients are Transferring funds through front end Trading (through RazorPay NEFT transfers) and avail immediate exposure facility, but due to limited number of Banks linked, few of our clients were not able to use the service. Hence, now we have added UPI fund transfer in RazorPay facility for our IBT and Mobile Trading Clients (only for android users and for iPhone user will start shortly).

Now clients can transfer fund from any of the 207 listed banks (the list of Banks attached) and can avail instant credit of trading limits to participate in the market.

All APs/Clients are requested to make use of the facilities. We further request our APs to promote IBT/Mobile Trading through BgSE Financials Ltd.

For any clarification, kindly contact IT support team to at 080-66673328/ 66673329 or write to [support@bfsl.co.in](mailto:support@bfsl.co.in).

With warm regards,
